Daniel sent new preliminary drawings to OED incorporating their changes.

1 May 1988

Rent begins on the space.

23 June 1988

All drawings are finished, according to Daniel. They have been delivered to the Lessor. The lessor will apply for a permit which will take about a month. Construction should begin around 1 August.

Sometime in June

STAT [] received a letter of commendation from OED for his work on their behalf.

27 June 1988

STAT [] said there were problems between the Office of Security and OED over the storage of classified material in the new OED office. OED wants open shelf storage and a minimum amount of safes and the Office of Security wants no open shelf storage and all classified stored in safes in vaults.

6 July 1988

STAT Office of Security, [] advised REB that OED has
STAT conceded to the need for 120+ safes in its new space. []
said C/OED agreed to this.

11 July 1988

Daniel has drawn 120+ safes into the new OED space. OED, according to Daniel, is contesting the location of the safes in the space. The Lessor's building manager must review the drawings and approve the location of the safes.

25 July 1988

STAT [] that OED had no problem with OL support
STAT to their project. He said their problems were with OS and the storage of classified material. [] said DC/OED met with OS last week and agreement was reached that OED space would have Agency SPO's and open shelf storage.
